PRÉHISTORY AND MIDDLE AGES IN A COUNTRY
WHERE GASTRONOMY IS THE KING !

OUR CENTRE

The CIS is in the centre of a charming and peaceful village of 1000 inhabitants, with shops and services nearby, including cafes, restaurants and during the holiday season, a farmer's market in the main square on Tuesday mornings and Friday evenings.

We welcome groups of all ages who wish to visit the Périgord for cultural reasons, or to take part in sporting activities or training courses.

Come to the centre to go walking or to amble through our beautiful region on a voyage of discovery, or simply to relax. Come and hold your own courses in yoga, art, etc. with your trainers.....or why not attend one of our language courses ?

A dynamique team will welcome you and will help you to discover our region, our culture and our gastronomy. Our team is here to help you organise your group stay, your family party, your language or recreational course or your sight-seeing trips.

OUR REGION

The region abounds with gems such as the medieval town of Sarlat, the celebrated Lascaux caves, countless prehistoric sites and 1001 castles, not forgetting its renowned cuisine, rich with refined delicacies such as foie gras and truffles. You can experience all this with us in here the Périgord Noir.
